## Unicorns Gone Wild!

One day, I was walking down the street when I heard a "Maah! Maah Raaahhh!!!" I turned to see what that mysterious sound was. Nothing. I started walking towards my house when "Maah! Maah! Maahh!" I was so confused. "Hello?" I said. My mom saw me in the backyard, "What are you doing girl!!!! Come inside!" I sighed. I really wanted to know what that was. "Go get ready for dinner," my mom told me. "What are we having?" I asked. She did not answer. I guess it was a surprise. I went in to the dining room. "Canned soup?! In a can!?" I yelled. "Yep. Surprise!" she exclaimed. I stomped out. I did

Not eat dinner. How wonderful I went to sleep hungry, awesome! Every little kids dream. I climbed into my bed and slept. Once I woke up my mom came into my room. "GIRL!!! So I made waffles and by made I mean ~~it~~ still frozen on a plate. I also have already gotten your backpack ready for school today. I nodded then I waved her out. She closed the door. Then popped back in and yelled "GIRL!!!" Then she left. I did my usual brush hair, brush teeth, clothes, and ate breakfast then I was out the door. My backpack felt strangely heavy. I probably just have lots of text books in there. I walked to school then saw my friend Amanda, "Hey, Amanda!" I hollered. She saw me and walked over. "Hey! Want to come to my house

This Afternoon?" Amanda asked. I nodded, "yes" Then I said, "Bye" and walked to my locker before the bell rang. I opened my locker and threw my backpack inside. Suddenly I heard a yelp. I jumped because it startled me. I looked around, Nobody. I slammed my locker then I heard "Ringggg" Oh no! The bell! I ran to my class. Thank goodness I made it there on time! As I stepped in my Science teacher said "ooh! you were about to be late!" Then I took my seat. I was SO bored. "Okayyy CLASS DISMISSED!" She yelled. I practically skipped out of class. As I got to my locker I opened it to get my Social Studies stuff. I zipped open

my backpack when it popped a rainbow horn. "What?" I thought. I was shocked. "What is a horn doing my backpack?" I said, maybe a little too loud. I knew people were staring at me. I felt the need to turn around. People stopped and stared. I turned around to my locker when a pink, furry head popped out. "Meah!" said the thing. I stood there with my mouth open. It was a unicorn! It scared me! So I did the only thing I thought of. I ran! I ran passed Amanda. Amanda asked, "Hey, where are you going?" but I had no time to answer. When Amanda turned to walk she saw the unicorn chasing me. I looked over my shoulder still running behind me. I came to my house and slammed the door. I was gasping for air. I never came out of my house again.
